## Rebuilding Together's Mission

We reach out to help our neighbors who are low-income elderly, disabled, or families with children. Our goal is to provide a warm, dry and safe home environment that enables families to live independently and with dignity, at no cost to the homeowner. As we rebuild homes, we rebuild lives.

**Rebuilding Together – Fredericksburg is a 501 (C3) nonprofit organization.**

## About Rebuilding Together Fredericksburg

Rebuilding Together – Fredericksburg is an affiliate of Rebuilding Together which is the nation’s largest volunteer home renovation organization serving more than 1800 communities. The Fredericksburg affiliate was formed in 1993 and has refurbished more than 400 homes in Fredericksburg, Spotsylvania and Stafford.

We complete renovations that provide basic housing needs. Our process includes accepting nominations for home repair projects, determining who needs our services the most, supplying the materials needed for the project and assigning the work to volunteer groups from local churches, civic groups, businesses and private individuals.

Renovations are done at 25 to 50 homes per year. Most of the major projects are scheduled on the national workday which is the last Saturday in April. Types of work completed include carpentry, roofing, painting, flooring, plumbing,

heating and air-conditioning, drywall, and most any type of home repair.

We also do smaller projects throughout the year on an as needed basis.

In addition we support local charities to maintain facilities that they own. Some examples of charities helped are Hope House, The Battered Women’s Shelter, Moss Free Clinic, and S.E.R.V.E.

We are a funding multiplier. For each dollar we receive in contributions, we produce more than four dollars worth of completed renovations in the local community. We receive about \$60,000 a year in contributions from businesses, churches, civic organizations, local governments, individuals and from fund raising events. We consistently provide more than \$250,000 worth of completed projects for needy homeowners.
